

Welcome to the SDA T1TL Virtual Industry Day, below is the agenda with hyperlinks to the video presentations.

You can view or download the videos, please try and limit the number of downloads and post/share across your companies internally. If you get errors please try a non-corporate computer since your firewall or company browser settings may be blocking the site.

As you can see each segment is about 25 minutes length and averages approximately 240MB per file for a total run time of 2 hours 9 minutes.

Enjoy the presentations from the SDA Team.
